SPIRIT LAKE SEGMENT

Period: March 1, 1962 to September 30, 1962

By
T.D. Biladeau
Assistant Federal Aid Coordinator

Boise, Idaho

October 22, 1962

State IDAHO

Project No. F- 45-D-9

Date October 22, 1962

FINAL SEGMENT REPORT
DEVELOPMENT AND OPERATIONS

As required by
Federal Aid in Fish and Wildlife Restoration Act

- A.. Name of Project: Statewide Public Fishing Access Site
Spirit Lake Segment
- B. Project Leader: Martin Luther
- C. Type of Work:

8. Public Use Facilities

c. Wildlife management: The landing approach was graded to a uniform slope and earth materials were hauled and deposited in the lake to extend the desired slope within the lake body.

Twenty-eight prefabricated, reinforced concrete slabs, 14 feet in length, 14 inches in width and 4-1/2 to 5 inches in depth, have been installed. A public dock was built adjacent to the ramp by Kootenai County Waterways Commission.

11. Signs and Boundary Markers

c. Management: No signs were installed under this project.
